

WEST HILLS ELEMENTARY

WOLFPACK WINTER FUNDRAISER

2026 SPONSORSHIP
OPPORTUNITIES

We are not who we say we are, but who we SHOW we are!

Dear Community Partner,

On behalf of West Hills Elementary School and the West Hills Elementary Foundation, we are honored to share our 2026 sponsorship opportunities and invite your organization to consider supporting our efforts this year.

West Hills Elementary is facing a significant challenge. In the last few years, our school narrowly missed qualifying for Title I funding by only a few students. This shift resulted in a loss of more than \$400,000 in critical educational support. The loss has substantial impact on our students and programs, and without the help of community partners, many essential resources cannot be sustained.

Our Foundation is committed to ensuring that every student continues to have access to the tools and support they need to thrive. Funds raised through the 2026 campaign will help us:

- Restore key staffing positions that directly support students' academic growth
- Purchase updated educational materials and technology, bridging gaps created by the funding loss
- Support enrichment opportunities that foster creativity, confidence, and a strong foundation for future success

Our annual fundraising event will take place February 27, 2026, and the enclosed materials outline sponsorship levels and benefits for your consideration. Your partnership will directly impact more than 600 students from 21 different nations and 10 spoken languages who rely on our school for a safe, supportive, and enriching environment.

Thank you for considering this investment in the future of our students and in the strength of the West Hills Elementary community.

Dr. Kristen Jackson
Principal, West Hills Elementary School

Logan Wells
President, West Hills Elementary Foundation
